

FAMILY CARE IMPLEMENTATION

Training Plan

Orientation to Family Care (state developed curricula)

- Recommend 3 months before implementation for leadership
- Recommend at least one month before implementation for teams
- Contact Sharon Ryan at DHS to schedule

Other trainings could be offered in the months leading up to implementation:

- **Differences between managed care and waivers**
- **Strength-based assessments/outcomes/RAD**
- **Medicare maximization**
- **Role of the IDT and its members**
- **Risk/grievance and appeal/Notice of Action**
- **Self directed supports in Family Care**
- **Training on local Member Centred Plans, other paperwork**
- **Training on local software systems**
 - > **Electronic record**
 - > **Service authorization system**
