

# NORTHEAST WISCONSIN FAMILY CARE CARE MANAGEMENT COMMITTEE

## Preliminary Discussion Topics

### Transition to Family Care

- ✓ Discussion of how transition of Waiver and Wait List individuals is handled
- ✓ Refinement of Waiver and Wait List counts
- ✓ Identifying CLTS consumers who will transition – comparing criteria for CLTS LTCFS vs. adult screen

### Outcome Based Care Management

- ✓ Accuracy of Long Term Care Functional Screens
- ✓ RAD process and format
- ✓ Core Family Care Practices
- ✓ Outcome based practice
- ✓ Role of the RN in Family Care vs. Waiver
- ✓ Unusual outlier cases

### Care Management Trainings

- ✓ Follow up on questions from first Care Management Training
- ✓ Future trainings – need for training calendar/timeline

### Strategies for Preparing for Family Care Transition

- ✓ Staffing issues – what about waiver staff posting to other county positions?
- ✓ Options Counseling – by care managers for transition and by ADRC for wait list
- ✓ Supervisor anxiety
- ✓ Differences between enrolling someone into Waiver and enrolling someone into Family Care
- ✓ Differences between COP/CIP and Family Care services provided (dental, rent, utilities, guardianship payments)
- ✓ **How does the ADRC fit into the transition – potential of waiver staff posting to ADRC positions, timing of those potential moves**
